ATHLETIC & OUTDOOR INDUSTRY: OREGON // 1875 - 2010

Find each company listed chronologically and alphabetically in the index below. Coordinates are also included in the index to help find the company's position along the timeline. The timeline indicates the year of the organization's inception in the local market. If a company is a subsequent start-up of another organization on the map, it will be grouped with and placed on the timeline under it's parent's year of inception. Refer to the key below to identify each company's specific industry and connections. Don't see your company listed? Go to pdxathleticoutdoor.com to fill out a survey and submit your organization's information.

The data displayed on this information graphic was obtained through independent research as well as data gathered through surveys of organizations within the Athletic & Outdoor Industry of Oregon. The degree of exactness and precision of the visualization has many practical limitations, therefore the graphic is intended to provide an overall visualization of the data. Any bias shown toward a particular organization is unintentional.
